

## Closest Fire Station

### **How can I find the closest fire station to my address for homeowner's insurance purposes?**

Insurance companies should fax the informational request on business letterhead to the Division of Fire at (804) 501-4642 along with a contact person's name, phone number and fax number. The Division of Fire will provide the distance between the nearest fire station and the specific address. Citizens should call (804) 501-4900 to obtain this information.
