

Donations

Does the Division of Fire accept donations?

The division does accept monetary donations for its "Eyes for Fire" and "Smoke Detector Installation" programs. Please contact (804) 501-4900 for more information.

Does the Division of Fire accept items that can be used as training props?

The Division of Fire often accepts structures and other items donated for use as training props; however, we may not always be able to burn them. In these cases, we use them as training props for other specialized training activities. If you have property to donate, please contact Fire Training at (804) 501-5968.
