1. Q-Page 2., Section B-2. Will the Successful Bidder be required to provide maintenance on County-owned containers? To what extent and/ or cost associated with repairs will the Company be responsible for?

A-Successful bidder will not be required to perform maintenance or repairs on County-owned containers.

2. Q-Page 3, Section C-3-c. To what extent will the County provide notification to the Successful Bidder of school breaks and schedule changes?

A- Notification of school breaks and schedule changes will be provided to the successful bidder upon request from the Successful Bidder.

3. Q-Page 4, Section C-6. How many hours/days will the County have to provide notification of missed pick ups to the Successful Bidder?

A-Missed or unsatisfactory collections shall be corrected by the Successful Bidder within 24 hours of notification by the County.

4. Q-Page 4, Section D. What percentage of claimed recycling is the County looking to achieve? What qualifies as recycling to the County?

A- The County has no set percentage set for recycling. See page 4, second sentence, Item D., 2 for what qualifies as recycling.

Q-Does the County wish to claim a rebate for Roll-Off and Compactor hauls containing only recyclable materials? How is the rebate to be given? (i.e. - directly from the facility, on the following invoice)

A- In lieu of a rebate, the County requests the Bidders to factor potential rebates into your bid price on the Bid Form.

5. Q-Page 9, Section K-3. Does the report of annual volume of business need to be sent each year, regardless of rate increase request? What information and/or format needs to be communicated to the County?

A- A report should be submitted each year regardless of the rate increase request. The County and the Successful Bidder will determine the information required.

6. Q-Page 22, Pricing. Are the 95 gallon wheeled collection carts to be designated as trash or recycle? Are they located inside or outside of the facility? Will they be placed outside on the service day for collection?
