To All Agency Heads and Key Officials:

Attached is a memorandum alerting you to the fact that certain sections of the County's Personnel Rules and Regulations have been updated.

While several sections have been amended and noted in the attachment, I have also provided you with an Internet and an Intranet link so that you can go to those particular page numbers. More detail can be found in the article entitled "Rules and Regulations Changes" that was published and distributed via e-mail to you yesterday in the [Leadership Link](#)-the quarterly newsletter to supervisors. Sections affected are 1.7, 1.8, 2.3, 4.5, 6.2, 6.7, 7.1, 8.6, and 9.3.
